County will need more gold medals for the next shoot which is the county indoor competition. Record status has been applied for the next county EOS shoot. Discussion re the T.O. involvement with the county indoor followed. Outcome was that the T.O. involvement would be minimal as the hosting club would do most of the shoot organisational activities. It was agreed that membership cards would be checked at all the county shoots. It was agreed that the club hosting the event would bear the up front costs and be reimbursed by the county after the accounts for the event were finalised.
