

NEW ANNUAL RETURNS SYSTEM

GNAS have introduced a new system for completing annual returns, details of which can be found on the GNAS web site under 'Hot Topics', 'Annual Returns 2010'.

As the timing of these announcements has not given CAA the opportunity to discuss how we wish to process membership renewals, I would ask all county clubs to use the following method for this year.

GNAS: Send returns documentation and GNAS fees direct to GNAS

SCAS: Send a copy of the GNAS documentation and SCAS fees direct to the SCAS treasurer. (If you do not have his details please contact me through the contacts page on the CAA website)

CAA: Send a copy of the GNAS documentation and CAA fees direct to the CAA treasurer.

FEES 2010/2011:

	Senior	Junior
SCAS	£1.50	£1.00
CAA	£2.00	£1.00

Please note the following:

- GNAS are now asking for the returns to be with them by 1/9/2010 only then will they ensure that membership cards are received by the start of the new affiliation year (1/10/2010).
- Under Law 15(b) 'a club that have not paid its associated members subscriptions by 31st October in any year shall cease to be an associated club and shall not be eligible for readmission as an associated club before 1st October in the succeeding year.'
